## Preamble

This Energy Market Contract is about the sale of Energy to You as a customer of Dodo Power & Gas, at Your premises. This contract is a market contract that You agree to, which outlines the general Terms and Conditions under which You will be supplied Energy by Dodo Power & Gas. This contract operates in conjunction with Your Market Contract Summary, which details the Rates, charges and other specific Terms and Conditions of the Energy supply to your property.

In addition to this contract, the Energy Laws and other consumer laws also contain rules about the sale of Energy and We will comply with these rules in our dealings with You For example, the Energy Laws in your state may set out specific rights and obligations about Energy marketing, payment methods and arrangements for customers experiencing payment difficulties.

You may also have a separate contract with Your Distributor, called a Customer Connection Contract. The Customer Connection Contract deals with the supply of Energy to your premises and can be found on Your Distributor's Website.

From 1 December 2017, new National Energy Laws will apply to new and replacement electricity metering, requiring your Energy Retailer to arrange for the installation and the replacement of faulty electricity meters. Retailer will also be responsible for the ongoing reading and maintenance of these new electricity meters. All new meters will be required to be advanced digital meters, offering many benefits to customers, including (but not limited to) remote reading and faster access to usage information.

*Note: Victorian Residents: The new Retailer electricity metering arrangements do not apply to customers in Victoria at this time, where new and replacement meters remain the responsibility of the local Distributor. However, the applicable parts of these Energy Market Terms and Conditions will apply when the Victorian Government allows Victorian Retailers to select their meter supplier under the applicable National Energy Laws.*

More information about this contract and other matters is on our Website [www.dodo.com/dpginfo](http://www.dodo.com/dpginfo).
