

Dodo's Complaint Management Policy Statement

Tell us about it

Please tell us if you have any concerns or complaints about our service.

At Dodo we are committed to providing excellent customer service. To do that we need to know where things are going wrong, and we need you to help us.

We acknowledge that customers have a right to complain and so we welcome and encourage you to tell us about any concerns, expressions of dissatisfaction or complaints you may have about our products or services. We also welcome any helpful comments or compliments you may want to make about our staff or products.

We take your feedback seriously, as we think it is the best way for us to identify and correct our problems, all which will help improve our service to you.

Talk to us first!

Please call us on **13dodo (13 36 36)** and let one of our customer service representatives know about your complaint or any dissatisfaction you may have with our products or services. We will try to resolve your problem right away and, if we cannot, we will take steps to get the problem resolved as quickly as possible within 15 days. If we believe the problem is too complex to be resolved in that time we will advise you before the 15 days is up of the steps we need to take and the timeframes involved and when we expect to be able to offer you a resolution.

You will be provided with a unique tracking number that will enable us to identify your complaint and its content in future communication and we will ensure you are aware of this webpage and the information it contains.

We will also acknowledge receipt of your written (mail/fax/email) complaint within 48 working hours and provide you, via the most convenient means, with the same information that you would receive had you telephoned, as outlined above.

The best way to let us know of your dissatisfaction or complaint, as well as your feedback and comments, is to use our Online Support system at <http://dodo.com/feedback> or by email to complaints@dodo.com.au. If you like your social media, then feel free to 'like' us on Facebook and post

your comments, dissatisfaction or complaints at www.facebook.com/dodoaustralia or you can tweet us @DodoAustralia. You can also visit our kiosks located at selected shopping centres. Refer to www.dodo.com/connect-stores/ for locations.

If you are still unhappy with Dodo

Dodo's Complaints Handling System has a process of internal escalation if you feel your issues are not being addressed properly, or if it is a more complex case that requires the intervention of specialist staff. Our agents will assist you with the escalation process. We will have one of our complaint managers from our Customer Relations Team review your problem and provide you with a prompt response.

You can also get an independent review of your complaint.

If you remain unhappy with our resolution of your complaint, you also have the right to refer the complaint to the Telecommunications Industry Ombudsman (TIO). The TIO is a free and independent

alternative dispute resolution scheme for small business and residential consumers in Australia, who have a complaint about their telephone or internet service.
