Dodo SFOA General Terms And Conditions

1. About these terms and conditions

- 1.1 Under the Telecommunications Act 1997, Dodo Services Pty Ltd ('Dodo') may contract with its customers either on an individual basis or by way of a standard form of agreement ('SFOA'). Dodo has chosen to supply Services to You by way of a SFOA. The terms and conditions constituting Dodo's SFOA are set out below. When You acquire a Service from Dodo, these terms and conditions will apply to You.
- 1.2 The Dodo SFOA is divided into the following sections:
 - a. General Terms and Conditions; and
 - b. Specific Service Terms and Conditions which include the general features, types of Charges, provisioning and maintenance which apply to a specific Service.
- 1.3 To understand Your rights and obligations You need to read the General Terms and Conditions, together with the Specific Service Terms and Conditions which relate to the Service which You acquire from Us.
- 1.4 To the extent that there is any inconsistency with the General Terms and Conditions and the Specific Service Terms and Conditions, the Specific Service Terms and Conditions apply.
- 1.5 When You sign up for a specific Service plan with Us, there will be terms and conditions relating to that specific Service plan including details of the contract period, if any, and specific pricing details. These specific Service plan terms and conditions are set out on the Dodo web page and contain the details of the relevant Service. You will also first have to agree to these terms and conditions:
 - a. Verbally if You sign up to a particular Service via the telephone; or
 - b. on the Dodo Internet site, before We will agree to provide You with that specific Service. Your contract with Us will also include the specific Service plan terms and conditions.

2. BECOMING A DODO CUSTOMER

- 2.1 When You ask Us to provide a Service, We decide whether to supply it to You based on:
 - a. the Service to be provided;
 - b. Your eligibility for the Service;
 - c. its availability to You; and
 - d. You meeting Our credit requirements.
- 2.2. The contract between Us and You begins when We accept Your application for the supply of a Service.

NO CONTRACT TERM FOR A SERVICE

- 2.3. If We provide a Service to You without a fixed contract term, We will provide the Service in accordance with this SFOA and the terms and conditions for the specific Service plan until the Service is cancelled under clause 10 below.

SERVICE WITH CONTRACT TERM

- 2.4. If We provide a Service to You with a fixed contract term, We will provide the Service to You in accordance with the SFOA and the terms and conditions for the specific Service:

- a. for the fixed contract term; or
 - b. Until the specific Service is cancelled under clause 10 below.
- 2.5. If neither You nor We cancel the specific Service at the end of the fixed contract term or if the specific Service is not cancelled under clause 10 below, We will continue to provide the Service on a month to month basis in accordance with this SFOA and the Specific Service Terms and Conditions.
 - 2.6. If You do not wish to continue to use the specific Service on a month to month basis after the end of the fixed contract term, You must give Us 30 days notice of Your intention to cancel the specific Service. We will notify You at least 45 days before the end of any fixed contract term to give You sufficient time to decide whether to continue the Service on a month to month basis.
-

3. HOW WE COMMUNICATE

- 3.1. We prefer to communicate with Our customers by email or through Our website. Unless You request printed invoices, for which We may charge a fee. We make invoices and other notices available through a password-protected secure account management page on Our website at www.dodo.com.au.
 - 3.2. The presentation of bills or any other notices may be adversely affected by equipment or conditions beyond Our control. It is Your responsibility to notify Us if the presentation of any bill or notice sent to You is adversely affected. If You fail to pay an outstanding amount because of a presentation problem, We will give a reasonable time to pay any outstanding balance after the presentation problem has been identified before We take any action under this contract.
 - 3.3. If You acquire a Service that includes a primary email address as part of that Service, You agree that:
 - a. We may give You notices under this SFOA by sending an email to that address;
 - b. It is Your responsibility to check Your email regularly and make sure that Your email facility is capable of receiving emails from Us. (You may contact Dodo Customer Support on 13BIRD (132473) if You are having difficulties with Your Dodo email account); and
 - c. The notice is deemed to have been delivered to You at the time that Our email message leaves Our computer system unless, with 24 hours of sending, We receive a notification that the email has not reached its destination.
-

4. YOUR RESPONSIBILITIES

PAYMENT FOR SERVICE

- 4.1. Other than in circumstances where We have incorrectly charged You for use of Your Service, You are responsible for and have to pay for any use of Your Service, whether You authorise it or not. As You are in the best position to monitor and control Your account usage, please ensure that You regularly review Your account to ensure that it is not being used without Your authorisation. You can access Our online account management system at www.dodo.com. If You believe that Your account is being used without Your authorisation, please contact Us immediately.
- 4.2. If You do not disconnect Your Service when You vacate Your Premises, You have to pay for any use of the Service by later occupants or others. We therefore suggest that You make every effort to ensure the disconnection of Your Service when You vacate Premises.

ACCESS TO PREMISES

- 4.3 We may need access to Your Premises. You agree to provide Us safe access to Your Premises to:
- Install Equipment for a Service You have asked for;
 - Inspect, test, maintain and repair or replace Equipment; and
 - Recover Our Equipment after Your Service is cancelled.
- 4.4 If You do not own Your Premises, You have to get the owner's permission for Us to access the Premises and install any Equipment.

-

5. USE OF THE SERVICE

- 5.1 Where the SFOA and/or the Specific Service Terms and Conditions state that a Service is provided for a particular purpose, You must only allow the Service to be used for that purpose.
- 5.2 In some circumstances We may monitor usage of Your Service for excessive or unusual usage patterns, but We do not promise to do so. You are responsible for monitoring the use of the Service.
- 5.3 You may not use a Service to commit an offence or allow anybody else to do so.
- 5.4 You are responsible for ensuring that no one interferes with the operation of a Service or makes it unsafe.
- 5.5 You must follow Our reasonable instructions if We determine that Your use of a Service interferes, or threatens to interfere, with the efficiency of Our Network or Our suppliers' Networks.
- 5.6 You must follow Our Acceptable Usage Policy and Fair Go™ Policy when using Our Services. These policies can be found at <http://www.dodo.com.au/legal>
- 5.7 In calculating usage, 1GB (Gigabyte) is equal to 1000MB (Megabytes) and 1MB is equal to 1000KB (Kilobytes).

- As Your Service is provided to You for business use, We do not accept liability for losses that result from the use of Your Service in connection with personal, domestic or household use;

 - We are not liable for any loss to the extent that it is caused by You, for example through Your negligence or breach of contract;
 - We are not liable for any loss to the extent that it results from Your failure to take reasonable steps to avoid or minimise Your loss; and
 - subject to clause 6.2 below, We are not liable for any loss caused by Us failing to comply with Our obligations in relation to Your Service where that loss is caused by events outside Our reasonable control, such as failure in Equipment that is not owned by Us, an industrial strike or an act of God.
- 6.2 Our goods come with unconditional warranties under consumer protection legislation, including that they will be reasonably fit for their purpose and match any description or sample, and Our Services come with

unconditional warranties that they will be rendered with due care and skill and be reasonably fit for their purpose. Subject to clause 6.1(c), You are entitled, at Your option, to a refund, repair or replacement of the goods or Service for a breach, and to compensation for any other loss.

-

7. MAINTENANCE AND REPAIR OF SERVICES

GENERAL MAINTENANCE OF THE SERVICE

- 7.1. We will use reasonable care and skill in providing the Services. Given the nature of telecommunications systems, including Our reliance on systems, Equipment and services that We do not own or control, We cannot promise that Our Services will be continuous and fault free. This does not affect Your rights under the statutory warranties as described in clause 6.2.

MAINTAINING THE SERVICE

- 7.2. Unless We advise You otherwise, We maintain the Services for as long as they are offered to You.
- 7.3. In certain circumstances We are required to repair any faults to the Phone Services within certain regulatory timeframes. For further details read the Customer Service Guarantee for Standard Telephone Services which can be found at www.dodo.com.au/legal.asp.

EQUIPMENT

- 7.4. Where You use Equipment that does not belong to Us in the course of utilising Our Service, You are responsible for maintaining and repairing that Equipment. We will not be responsible for any faults resulting from Your failure to maintain and repair that Equipment.
- 7.5. Where Your Equipment causes a fault in Your Service that We need to repair, We can charge You a call-out fee and Our reasonable Charges for repairing the fault. We will tell You the amount of the call-out fee and the hourly rates We charge for repairing faults before We start work.
- 7.6. You are responsible for any Equipment at Your Premises, including any that belongs to Us. You must pay Us for any loss or damage to Our Equipment at Your Premises, fair wear and tear excepted.

8. CHARGES AND PAYMENT

CHARGES

- 8.1 The Charges payable for Our Services are set out on the web page setting out the plans for those Services and can be found at www.dodo.com.au.
- 8.2 When You apply for a Service from Us We will go through the Charges for that specific Service with You. Some of these Charges will be fixed for the duration of a fixed contract term, for example monthly access fees. Some Charges will be subject to change without notice. International calling Charges or Charges for calling certain numbers (such as 1300 numbers) change from time to time – You can always find the current rates on Our website. You are required to pay some particular Charges in advance.
- 8.3 If You use Our Service to access a service provided by someone else, and We are charged for that other service, You must pay Us for that other service.

BILLS

- 8.4 You can access Your current Charges at any time using the account management tool available at www.dodo.com.au.
- 8.5 We also issue bills setting out the Charges for Your Services regularly and these bills are sent to You using an agreed billing notification method.
- 8.6 There may be circumstances where for credit management and usage monitoring purposes We issue an interim bill.
- 8.7 We try to include all Charges relating to a billing period on a bill. Where that does not happen, bills may include Charges from previous billing periods. We may not set out Charges that were incurred more than 6 months prior to the date of a particular bill.
- 8.8 We try to ensure that Our bills are accurate and verifiable. Our records are sufficient proof that a Charge is payable unless Our records are shown to be incorrect.

DIRECT DEBIT AND CREDIT CARDS

- 8.9 We prefer to process payment for Our Services by way of debiting Your credit card or direct debit account.
- 8.10 It is Your responsibility to ensure that You have sufficient credit or funds available in Your bank account or credit card to pay the bill.

LATE OR DISHONoured PAYMENTS

- 8.11 If You do not pay a bill by its due date, We can charge You a late payment charge as set out in clause 8.18.
- 8.12 If You pay a bill by direct debit and the payment declines, You must also pay Us all fees associated with the direct debit decline other than where We are at fault.
- 8.13 The administrative fees set out in this clause 8 attract GST.
- 8.14 We can also suspend or cancel Your Service provided We comply with Our rights to suspend or cancel Your Service as set out in clause 10 below.

ADJUSTMENTS

- 8.15 We can pay You amounts We owe You by deducting them from amounts You owe Us.
- 8.16 If You pay any Charges in advance, for example monthly access fees, and they are varied or the Service is cancelled, We will refund You any overpayment and You have to pay Us any underpayment. This clause does not detract from any obligations You may have to give notification to cancel a Service, or to pay early termination fees where applicable.

GST

8.17 GST, if applicable, is included in all prices that We advertise. However, if there is an increase in the rate of GST, We will notify You and increase Our prices accordingly.

CHARGES THAT APPLY TO ALL SERVICES

- 8.18 Administrative Charges may apply to Services supplied by Us:
- a. Printed invoices: If You wish to receive paper invoices from Us, You will be charged a fee per invoice;
 - b. Payment by direct debit: If You pay Us by means of direct debit from an Australian bank account, a service fee per transaction applies;
 - c. Direct debit declined charge: If a direct debit transaction is not processed successfully, except where caused by Our error or the error of Our supplier, a charge declined transaction will apply;
 - d. Late payment charge: Where You have not successfully made payment within at least 14 days after payment is due, a Charge may apply; and
 - e. Debt Collection: Where a payment is due by more than 28 days and We refer the debt to Our lawyers or a third party, a debt collection administration Charge may apply.
- 8.19 The amount for Our administrative Charges can be found on Our website at www.dodo.com.au. In addition, We will have informed You of the exact Charges for printed invoices and payment by direct debit at the time when You sign up to a Dodo Service for a fixed contract term. Any changes to the Charges for printed invoices and payments by direct debit will be dealt with as a contract amendment in accordance with clause 11.
-

9. CREDIT CHECKS AND SECURITY BOND

CREDIT CHECKS

9.1 You authorise Us to conduct credit checks and searches and to use the information obtained as a result of these checks and searches to assess Your credit worthiness, so long as in doing so We comply with the Privacy Act.

SECURITY BOND

- 9.2 At any time, We can require You to provide some form of security, for example a security deposit, a charge or bank guarantee, or pay some or all of the Charges for Your Service in advance. We will only do so if We have reasonable concerns about Your credit worthiness or have reasonable grounds for believing that We may not be paid for the Service. In the case of new Services, We can refuse to provide You the new Services until We receive the security. In the case of existing Services, if You do not provide the security within 14 days of Our request, We can restrict, suspend or cancel the Service in addition to any other rights that We may have.
- 9.3 If You cancel all Your Services, We will return the security deposit or advance payment to You less any outstanding Charges owing to Us within a reasonable time.
- 9.4 Our acceptance of any form of security or advance payment does not affect any other rights or obligations under this SFOA.

10. CANCELLING OR SUSPENDING YOUR SERVICE

YOUR RIGHTS

- 10.1 You may cancel a Service at any time by giving Us 30 days written notice of Your intention to do so.
- 10.2 If You cancel your Service before Your fixed contract term for Your Service has expired, for example, You cancel Your Service 11 months into Your 24 month fixed contract term, We can charge You an early termination fee. The amount of the early termination fee will depend on the Service You acquire and when You terminate, and will be set out on the web page containing the plans for Your Service and in the Specific Service Terms and Conditions for Your Service at the time of signup. These can be found at www.dodo.com.au. In addition, We will have informed You of the exact early termination fee at the time when You sign up to a Dodo Service for a fixed contract term.
- 10.3 If You cancel a Service before We have provided it to You, We can charge You any reasonable costs We incurred while preparing to provide the Service to You.

MATERIAL BREACH BY US

- 10.4. You may cancel Your Service at any time if:
 - a. We are in material breach of the SFOA, for example We fail to use reasonable care and skill in providing the Service to You; and
 - b. You have told Us in writing of Our material breach and We have failed to remedy it within 14 days of Your written notice; or
 - c. The material breach is something We cannot remedy, in which case You can terminate the Service immediately by telling Us.
- 10.5 We will not charge You an early termination fee if You cancel Your Service as a result of Our material breach.

YOUR OTHER RIGHTS TO CANCEL

- 10.6 You can also cancel Your Service by providing Us with reasonable notice if:
 - a. We become bankrupt or insolvent or appear likely to do so;
 - b. The law requires You to do so; or
 - c. the provision of the Service becomes illegal.
- 10.7 We will not charge You an early termination fee if You cancel a Service for the reasons set out in clause 10.6. above.

OUR RIGHTS

- 10.8 Where You acquire a Service on a month by month basis We can cancel Your Service at any time if We:
 - a. Get Your consent;
 - b. give You 30 days written notice, or as otherwise agreed between You and Us; or
 - c. Migrate Your Service to a Service that is not materially worse than Your existing Service.
- 10.9 Where You are a fixed contract term customer, We can cancel Your Service before the end of the fixed contract term at any time, if:
 - a. We get Your consent to do so;
 - b. We appropriately offset the effect of the cancellation on You, for example, by providing an appropriate credit or rebate to You;

- c. We migrate You to a Service that is not materially worse than Your existing Service for the remainder of Your fixed contract term; or
 - d. We offer to migrate You to an alternative Service for the remainder of Your fixed contract term and We offset any material detrimental effects of the migration caused by any material differences between the cancelled Service and the alternative Service We offer.
- 10.10 If We cancel Your Service under clause 10.9 above, We will not charge You an early termination fee.

MATERIAL BREACH BY YOU

- 10.11 We can cancel Your Service at any time, if:
- a. You are in material breach of the SFOA; and
 - b. We have notified You in writing of Your material breach and You have failed to remedy it within 14 days of the date of the notification; or
 - c. The material breach is something that cannot be remedied, in which case We reserve the right to cancel Your Service immediately.
- 10.12 You will be in material breach of the SFOA if You:
- a. Do not pay the Charges for the Services when they become due and payable as specified in clause 8 of the SFOA;
 - b. Use Your Service in a way which We reasonably believe is fraudulent, poses an unacceptable risk to Our security or Network capability or that of Our suppliers or other customers, or is illegal, or to conduct a business; or
 - c. Breach any of Your obligations under the Dodo Acceptable Usage Policy and/or Dodo Fair Go Policy.™
- 10.13 We can charge You any applicable early termination fee if We cancel Your Service under clause 10.12 above.

SUSPENSION OF YOUR SERVICE

- 10.14 We can suspend or restrict the provision of Your Service during the period before We cancel Your Service because You are in material breach of the SFOA. If You ask Us to reconnect Your Service following suspension for failing to pay an account, You will have to pay Us a reconnection fee. Even while suspended, You may terminate the Service under clause 10.1 (subject to any early termination fee in accordance with clause 10.2), in which case We will not charge You for (and rebate if necessary) any fixed fees during the period of suspension.
- 10.15 If any suspension lasts for more than 7 days, We will not charge You any fixed fees during the period of suspension, but We may charge You a reconnection fee to restore Your Service.

OUR OTHER RIGHTS TO CANCEL, SUSPEND OR RESTRICT YOUR SERVICE

- 10.16 We can cancel, suspend or restrict Your Service by providing You with reasonable notice if:
- a. the law requires Us to do so;
 - b. the Service becomes illegal or We believe on reasonable grounds that it may become illegal;
 - c. You die;
 - d. there is an emergency that affects Our ability to provide the Service;
 - e. We are unable to provide the Service to You due to events outside Our reasonable control, such as failure in Equipment that is not owned or operated by Us, an industrial strike or an act of God; or
 - f. We reasonably believe that providing the Service may cause death, personal injury or damage to property.

- 10.17 We will not charge You for (and will rebate if necessary) any fixed fees during any period of suspension under clause 10.16 exceeding 24 hours. We will not charge You any applicable early termination fee if We cancel Your Service under clause 10.16 above.
- 10.18 You may also terminate Your Service without incurring an early termination fee if suspensions under clause 10.16, or interruptions of the Service:
- last for 5 consecutive days ; or
 - over a 12 month period amount to a total of 14 days.
- 10.19 We can also cancel, suspend or restrict Your Service by providing You with reasonable notice if:
- We cannot enter Your Premises because of Your act or omission when We need to do something in connection with the Service in order to supply the Service or make the Service or related Equipment safe;
 - You become bankrupt or insolvent or reasonably appear likely to do so;
 - You vacate the Premises to which the Service is connected;
 - There is excessive or unusual use of the Service that is in breach of any Dodo Acceptable Usage Policy that applies to the Service. The Dodo Acceptable Usage Policy can be found at www.dodo.com.au/legal; or
 - We reasonably consider that You pose an Unacceptably High Credit Risk to Us.
- 10.20 We can charge You any applicable early termination fee if We cancel Your Service under clause 10.19 above.
- 10.21 If termination occurs under clause 10.19(c) when You leave Premises to which the Service is connected, We will waive the early termination fee if We are able to provide an equivalent Service from Your new premises that does not require Us to pay a new establishment fee to Our supplier, and You agree to receive the Service at the new premises. If We cannot supply such a Service from the new premises but You agree to receive a similar Service that requires Us to pay a new establishment fee to Our supplier, We will reduce the early termination fee to take into account any minimum commitment You make in connection with the new service.
- 10.22 If We suspend or restrict Your Service under clause 10.19, You may terminate the Service under clause 10.1 (subject to any early termination fee in accordance with clause 10.2) in which case We will not charge You for (and rebate if necessary) any fixed fees during the period of suspension.

MAINTENANCE AND REPAIR WORK

- 10.23 We can suspend or restrict Your Service temporarily if We reasonably believe it is desirable to do so in order to maintain or restore part of a third party supplier's Network. We will try to perform maintenance and repair work at times that will cause the least inconvenience to Our customers. We will not charge You for (and will rebate if necessary) any fixed fees during any period of suspension exceeding 24 hours. If We have no alternative but to cancel Your Service due to necessary maintenance or restoration of any part of a third party supplier's Network, We will not charge You any applicable early termination fees. You have the right to terminate the Services if any of the events in clause 10.18 arise.

IF YOU USE THE SERVICE FOR PERSONAL, DOMESTIC OR HOUSEHOLD PURPOSES

- 10.24 We will provide the Service to You on the condition that Your use of the Service is for business purposes. If We reasonably believe or You notify Us that You are using the Service for any personal, domestic or household purposes, We can ask You to cancel the Service and contract with Us for the supply of a suitable residential service. If You do not agree to cancel the Service and contract with Us for the supply of a suitable residential service, We can cancel Your Service by giving You 30 days written notice and charge You any applicable early termination fee.

REFUNDS OF PREPAYMENTS

- 10.25 If Your Service is cancelled under this clause 10, We will refund to You any unused portion of Your monthly access fee if this has been paid in advance and any other amount You have prepaid. However, We can deduct from Your refund any amounts that You owe to Us. This clause 10.25 does not detract from any obligations You may have to give written notification to cancel a Service, or to pay early termination fees where applicable.
-

CHANGES THAT BENEFIT YOU

- 11.3 If We reasonably believe that the amendment to the SFOA will benefit You or have a neutral impact on You We can make the amendment immediately. For example, We do not have to give a period of notice to You when We reduce call rates or increase Our obligations to You. We will take reasonable steps to bring the general nature of such changes to Your attention (for example, by informing You in a bill that Our current terms and conditions have changed and can be viewed on Our website).

CHANGES THAT MAY ADVERSELY IMPACT YOU

- 11.4 Where We reasonably believe that the amendment to the SFOA will have a minor impact on You, We will give You 30 days written notice of the change being implemented by bill message, direct mail or email. We will use this method of notification for example where We withdraw a minor feature of a Service.
- 11.5 If the change referred to in clause 11.4 above will have more than a minor impact on You, We will allow You to cancel the contract without incurring any early termination fees.
- 11.6 Where We reasonably consider that an amendment to the SFOA will result in more than a minor detrimental impact to You, We will give You individual notice 21 days prior to the amendment taking affect by bill message, bill insert, direct mail or email, if You have provided an email address for the purpose of receiving notices from Us.
- 11.7 If any amendment to the SFOA would have a material adverse impact on You, You may elect to cancel Your Service without incurring any early termination fees or other penalty and without being bound by the change.
-

When You purchase fixed line Services from Us, You may have the option of purchasing:

- a. Our Full Service product: We provide a standard telephone Service and all calls from that Service (including long distance calls and calls to mobiles); or
 - b. Our Pre-select product, which includes long distance calls, calls to mobile numbers and international calls – this means that We provide the specific pre-selected Services that You choose but the provider of Your standard telephone Service does not change, (“Fixed Line Service”)
-

2. WHAT IS A STANDARD TELEPHONE SERVICE?

A standard telephone Service includes line rental, a telephone number, a telephone directory listing and making and receiving local and long distance calls (“Standard Telephone Service”).

3. WHO CAN SIGN UP TO A FIXED LINE SERVICE?

Only an occupier of a Premises, or their authorised representative, may sign up to a Standard Telephone Service. We may require evidence, such as a rental agreement, contract of sale, or similar document, to confirm that You have the right to arrange for the connection of a Fixed Line Service.

4. WHAT FEATURES ARE AVAILABLE WITH A STANDARD TELEPHONE SERVICE

There are a number of enhanced call handling and other features available. More information on such features may be available from Our website.

5. TELEPHONE NUMBERS AND PINS

- a. The Telecommunications Numbering Plan sets out rules for issuing, transferring and changing telephone numbers. We must comply with the Telecommunications Numbering Plan. In using Your Service, You must not do anything that would be inconsistent with the Telecommunications Numbering Plan or that would adversely affect Our ability to comply.
- b. You do not own or have any legal interest or goodwill in any telephone number or personal identification number (“PIN”) issued to You. You are entitled to continue to use any telephone number We issue to You, except in circumstances where the Telecommunications Numbering Plan allows Us to recover the number from You.
- c. You can transfer a telephone number or PIN to another person if You get Our consent first.
- d. Because You have to pay for any use of Your Service (whether You authorise it or not), We recommend You protect the security of any PIN used with Your Service.

- e. For a Service where usage is associated with a PIN, We can change the telephone number that You use to access that Service. However, We will tell You of the change before it takes effect (for example, by placing a recorded voice announcement on the affected Service). Once the telephone number for accessing that Service is changed, it is important that You use the changed telephone number, as You may not be able to access that Service using the old telephone number.
-

6. PORTING YOUR TELEPHONE NUMBER TO US

You are normally able to retain Your existing telephone number when You change service providers. If You wish to retain Your existing telephone number You acknowledge that:

- a. You are authorised to request the porting of the telephone number to Us;
 - b. By porting the telephone number to Us, the Fixed Line Service and/or any related Services associated with that telephone number may or may not be disconnected from Your previous service provider, and may result in finalisation of the account for that service;
 - c. For the purposes of porting Your telephone number, call and message routing, fault management and fraud prevention, You permit Us to disclose relevant details set out above to other service providers; and
 - d) Although You have the right to port the telephone number:
 - (i) there may be costs and obligations associated with Your previous Fixed Line Service and the porting of the telephone number;
 - (ii) If You have an existing long term contract with Your previous service provider You may be obliged to make early termination payments to that service provider;
 - (iii) Porting may be unsuccessful if You fail to provide full and accurate details to Us, or if You cancel Your Fixed Line Service with Your previous service supplier before the port cutover date;
 - (iv) If another service provider raises a proper charge with Us relating to a service it provided to You before the porting of Your telephone number to Us, We will advise You accordingly and You must pay the other service provider that amount. If You dispute the amount claimed, You must notify Us in writing. You may also be liable to pay to Us or Your previous service provider charges relating to disputes or investigations by Us or Your previous supplier arising out of the transfer of Your Fixed Line Service to Us;
 - (v) We will not accept any liability for any amounts owing by You to another service provider for Services associated with the telephone number prior to the date on which We port Your telephone number to Us; and
 - (vi) You hereby authorise Us to take all reasonable steps necessary to port Your telephone number.
-

7. PREMIUM SERVICES

Premium services are content, voice and data services offered by third party providers ('Premium Services'). Due to the potential credit risk associated with Premium Services, We reserve the right to bar access to Premium Services by default. If You wish to gain access to Premium Services You need to contact Our call centre on 13BIRD (132473). If We agree to unbar Premium Services, there may be a delay of up to 7 days until access to the Premium Services are made available.

8. INTERIM CHARGES

For credit management purposes:

- a. In this clause, a reference to contact means that We will send You an SMS and an email, provided We have Your mobile and email details ('Contact'). If We have neither, We will attempt to telephone You.
- b. Where You incur excess or usage Charges that are more than four times the monthly plan fee (or \$400, whichever is less), We will Contact You (and also send a letter if We do not have an email address for You) advising You of this fact and of the further thresholds set out below.
- c. Where You incur excess or usage Charges that are more than six times the monthly plan fee (or \$500, whichever is less), then We will Contact You and inform You as follows:
 - (i) If You are paying by credit card, We will debit Your card for all excess and usage Charges the following day; or
 - (ii) If You are paying by direct debit from a bank account, You must make cleared payment to Us for all excess and usage Charges within one day.
- d. If payment is not made or received as described above, We may suspend all or part of Your Services until such payment is made.
- e. Where You incur excess or usage Charges that are more than eight times the monthly plan fee (or \$600, whichever is less) then We will immediately:
 - (i) If You are paying by credit card, debit Your card for all excess and usage Charges and We may suspend all or part of Your Service If the debit transaction is not successful; or
 - (ii) If You are paying by direct debit from a bank account We may immediately suspend all or part of Your Service until payment in cleared funds is received; and
 - (iii) Contact You to inform You of the situation, confirm any suspension of Service that has been imposed, and give You an opportunity to make payment.
- f. If Your level of excess and usage Charges reaches more than one of these thresholds on the same day, We will apply the procedures that apply to the higher threshold. For example, if Your excess and usage Charges reach both four and six times Your monthly plan fee on the same day, the procedures in paragraph (c) above will apply.
- g. If You incur interim Charges on a regular basis then We suggest that You pay by means of credit card and/or manage Your Dodo account using the Dodo account management tool available at www.dodo.com.au. The Dodo account management tool enables You to monitor the use of Your Services and enables You to pay Charges before they become due. This will also protect You against unauthorised and excessive use of Your Services.

9. RESPONSIBILITY FOR CHARGES

You are responsible for paying all Charges relating to Your Fixed Line Service even if You did not personally make all the telephone calls from that Service nor authorise those calls. Details of the Charges for Fixed Line Services can be found at www.dodo.com.au. We will also detail the relevant Charges applicable to Your Fixed Line Service when You sign up for this Service.

10. EARLY TERMINATION FEE IF APPLICABLE

If You cancel the Fixed Line Service before Your fixed contract term for Your Service has expired, We can charge an early termination fee. Details of when the early termination fee will be applicable are set out in clause 10 of the SFOA.

11. ABOUT PRE-SELECTION AND OVER-RIDE CALLS

If You are a Full Service product customer who has contracted to obtain a Fixed Line Service for a fixed contract term, You must not pre-select any calls, including international calls to mobiles ('Preselected Services') to a different service provider. If You do acquire Pre-selected Services from a different service provider during the fixed contract term, then We may at Our option:

- a. treat the fact that You have pre-selected certain Services to a different service provider as an election by You to terminate Your Fixed Line Service and Your agreement with Dodo for the supply of that Service, in which case any applicable early termination fee or cancellation Charges may apply. We will make reasonable efforts to contact You if this occurs to give You an opportunity to reverse the pre-selection;
- b. reverse the Pre-selected Services from the different service provider and continue providing the Fixed Line Service to You; or
- c. continue providing You with local call Services only in accordance with Our standard rates and conditions. Our standard rates are usually higher than the rates charged to customers on a fixed contract term.

DODO VOIP TERMS AND CONDITIONS

PROVISION OF SERVICES

1.1 Details about Dodo VoIP Service and associated Services together with the terms and conditions relating to specific Dodo VoIP Service plans are available on Our website and can be located at www.dodo.com.au. The following terms and conditions apply to Dodo VoIP Service and associated Services.

GENERAL CONDITIONS

1.2 Dodo VoIP Service requires a minimum broadband speed of 256/64 to operate and provide optimum performance and quality. As Voice over IP (VoIP) uses Your broadband internet connection to pass the voice traffic to conventional phone lines, it will contribute to uploads and downloads of Your internet service. You acknowledge that although We will take all reasonable steps to make sure You receive the Dodo VoIP Service within the calling areas, the Dodo VoIP Service is not free from faults or interruptions. Certain factors, such as network congestion, maintenance, technical capabilities, geographic factors, obstructions or interference, may mean that You will not receive the Dodo VoIP Service at certain times or that the Service quality may be affected. To reduce any technical problems with Your Service, We recommend that You limit Your internet use to increase the performance and quality of the Dodo VoIP Service.

- 1.3 You are responsible for ensuring that Your Dodo VoIP Service is working correctly. If Your broadband connection is not working or is set up incorrectly, or if Your VoIP Analogue Terminal Adaptor (ATA) is set up incorrectly, or there is a power failure, Your VoIP service may not work. If any of these events occurs, telephone calls cannot be made using the Dodo VoIP Service, including calls to 000.
- 1.4 If You use a telephone connected to an ATA to make VoIP calls, and You are unsure if Your Dodo VoIP Service is working correctly, We recommend that You make a test call to a telephone (such as a mobile phone) that supports Calling Number Display. If the number displayed during Your test call is not Your VoIP phone number, the call is not being made using Your Dodo VoIP Service. We do not accept any responsibility for the costs associated with any calls You may make using Your landline instead of Your Dodo VoIP Service.
- 1.5 Unless otherwise stated, VoIP plans under these terms and conditions are available for business customers and business use only.
- 1.6 If We detect excessive or unusual use of Your service, We reserve the right to terminate Your service. Excessive or unusual use means where there is a high volume of usage outside of normal usage patterns or other usage which suggests irregular network access (for example, where a call remains connected for an unusually long period of time, where an unusual pattern of short calls is made in a short period of time, or where an unusually large volume of calls are made, particularly to premium-rate or international services).
- 1.7 You cannot make calls to Premium Service Numbers such as 1900 numbers from VoIP.
- 1.8 The maximum call duration for a VoIP call is 4 hours. If a single call reaches 4 hours duration, the call will be disconnected.
- 1.9 Calls are billed in 1 minute increments. All calls will be rounded up to the next cent. No connection fees apply. Call value, time and count inclusions (where applicable) are applied on a monthly basis and must be used within the billing month and cannot be rolled over.

ACCESS TO EMERGENCY SERVICES

- 1.10 VoIP supports access to 000 or other similar emergency service telephone Numbers. However We recommend that You call from a fixed line. As a Dodo VoIP customer, it is important to understand that Your Dodo VoIP Service is a secondary line. As such, We recommend that You utilise Your primary phone line for emergency related calls. It is also important that You are aware that location information may not be provided or can be incorrect for emergency services, for example:
 1. If You are using Your Dodo VoIP Service from a location other than the location advised to Us, the location information passed through to emergency services will not be correct
 2. If You have an outbound only service, no location information can be provided In these cases, or if You have any concern that the location information provided to the emergency services operator may not be correct, You should confirm Your location with the emergency services operator.

LOCAL NUMBER PORTABILITY

- 1.11 You authorise for Your telephone number(s) to be ported to Us. We may charge You a fee to port Your existing telephone number. We do not warrant that We can port Your telephone number from Your current service provider. Your current service provider may reject a port request if the information You provide is incorrect or does not match the data held by them. In this case, You authorise Us to correct the information and resubmit the request to port Your telephone number to Us, or dispute the rejection by Your current service provider. A porting request may also be

rejected for other reasons as stated in the LNP Industry Code. We do not warrant that the telephone number will be ported within any specified timeframe. Only Your telephone number will be transferred to Us. This may result in the loss of any value added services that are associated with the service provided by Your existing service provider (eg Voicemail).

- 1.12 You may only withdraw Your authority to port Your telephone number before the Electronic Cutover Advice is sent by Us to Your current service provider, which will be on or after the preferred cutover date specified by Us to You. In the event of a port, withdrawal or reversal, We are not responsible for any period of outage. If You wish to port Your telephone number from Us to another service provider, then You must contact the other service provider. We reserve the right to charge a fee for porting Your telephone number to or from Us. You must not deactivate Your existing service when porting. Telephone numbers can only be ported whilst active.
- 1.13 A Customer Authorisation to port a telephone number must be authorised by the customer or the customer's agent.

ALTERNATIVE PHONE

- 1.14 We recommend that You should always maintain an alternative phone service if You port Your phone number to a Dodo VoIP Service. A Dodo VoIP Service is not a substitute for a standard (PSTN) telephone service, as in the event of power failure the Dodo VoIP Service will not operate.
