

Critical information summary

Engin Max VoIP Plan

INFORMATION ABOUT THE SERVICE

Your Engin VoIP Plan allows you make and receive phone calls, like you do using a regular phone but instead of your calls being delivered over a regular phone line they travel over your high speed internet connection.

Minimum Term

1 Month

What's Included

Your Engin VoIP plan includes the first 600 minutes to standard local, national, mobile and international calls.

What's Not Included

Your plan does not include calls to 13/1300 numbers, mobiles, and some international calls and premium service numbers. Charges to these services will apply and are outlined below.

Engin VoIP plans require a compatible VoIP box, customers can provide their own or purchase one through Engin [here](#).

INFORMATION ABOUT PRICING

Your Minimum Monthly Charge

\$29.95 – Your monthly charges are billed according to your billing cycle.

No Early Termination Charges Apply

Because Engin VoIP services are month-to-month there are no early termination charges. The total minimum amount that you will pay over the period of your plan term is \$29.95 if on a one (1) month contract.

Standard Charges

Cost of Making a 2 minute call to Australian mobiles - \$0.54.

Local Calls - 15c per call.

National Calls - 15c per call.

Mobile Calls - \$0.27 per minute.

Charges to International Numbers

You will be charged if you make calls to international numbers:

* International Calls – To view International rates to overseas destinations see <http://www.engin.com.au/Voip/PSTNRates.aspx> .

OTHER INFORMATION

Call Usage Information

Engin have spend management tools which are designed to assist you in managing your spend. You can check your monthly usage in SelfCare at <https://my.engin.com.au/>.

Billing

The figures in this critical information summary are for a full billing cycle but your first bill may include some pro-rata charges for part of the month if you started or changed your plan part way through a billing period. On the same day each month you will be billed in for minimum monthly charge as well as any additional usage during this billing period.
