

goVoice Value Plans Terms & Conditions

goVoiceValue plans: Available to ClubTelco customers who combine their long distance, local and GSM mobile service on a 15-month agreement. An establishment fee of \$25 is charged to be placed on these plans and will be charged on your first invoice.

goVoiceValue: Minimum total cost over 15 months is \$1060 (including a \$25 establishment fee). If you cancel your local service prior to 15 months, you will be charged \$138 early termination fee. Your mobile phone will remain active and transferred to the goCap45 mobile plan. If your mobile phone is cancelled, your home phone service will continue to be billed the minimum monthly fee of \$69 and still receive up to \$125 credit for included eligible calls. goVoiceValue Plus: Minimum total cost over 15 months is \$1510 (including a \$25 establishment fee). If you cancel your local service prior to 15 months, you will be charged \$198 early termination fee. Your mobile phone will remain active and transferred to the goCap45 mobile plan. If your mobile phone is cancelled, your home phone service will continue to be billed the minimum monthly fee of \$99 and still receive up to \$100 credit for long distance calls and \$50 for local calls.

The rates stated are the standard per minute rates, 24 hours everyday and include GST.

Local call rates are billed on a per call basis; all other calls are billed on a per minute basis. All rates are correct at 18/10/2005 and subject to change without prior notice.

Calls to international mobiles incur a surcharge.

Connection fee: A 39c flag fall applies to national, mobile and international calls using your landline and 25c on your mobile.
