### Information about the Service

This is an IPTV service that utilises your existing broadband connection.

### Equipment Required

You will require a Fetch set-top box, cabling (HDMI or Composite Cable), a compatible TV that can receive free-to-air television channels and an internet connection.

### Bundling Requirements

This service needs to be bundled with a Dodo broadband (DSL or NBN) connection. If you cancel or transfer either service in the bundle, Dodo may suspend or terminate both services and you may be liable for early termination fees.

### Fetch TV Channel Pack

Fetch comes with one included channel pack, unless a customer is purchasing their Fetch with Ultimate Pack. Customers can purchase additional channel packs on a month to month basis available via their Fetch Set top box. Charges for additional channel packs are \$6 for each individual channel pack or \$20 for all 4 standard channel packs (Kids, Variety, Vibe and Knowledge packs). Additional a la carte channels are available for purchase. See website at [www.dodo.com.au/fetch-tv](http://www.dodo.com.au/fetch-tv) for further details.

### Minimum Term

24 months

### Hardware

Fetch Hardware must be returned if your service is cancelled. A non-return fee (\$280) applies 30 days after cancellation if hardware is not returned. See website for current charges. \$24.90 Postage & Handling fee may apply.

### Service Availability

The service is not available in all areas and is subject to you undertaking a service speed qualification. A minimum throughput speed of 3Mbps is required per set-top box. The ability to receive free-to-air TV is also required.
